Keep your systems running safely, reliably, and efficiently all year long!

✓ THE WHOLEHOME™ APPROACH

From heating and cooling services to electrical, solar, plumbing, and more, our experts are dedicated to finding the most effective ways to optimize comfort, improve indoor air quality and health, and increase energy efficiency in your home. From your crawlspace to attic; inner plumbing to the ambient comfort in your living room, our team has an eye for the bigger picture—so your WholeHome™ is performing at its best!

✓ PERFORMANCE MAINTENANCES

Much like tune-ups and oil-changes on your car, a performance maintenance focuses on bringing your equipment back to its original operating specifications. With energy costs rising, maintenance protects your investment while keeping operating costs down and lowering your risk for repair. In addition, regular maintenance protects manufacturer warranties as many HVAC, Electrical, and Plumbing manufacturers require it routinely to maintain their agreement.

✓ PRIORITY SERVICE

Priority service means you're always at the head of the line. We never pause service for our members. Whether it's maintenance, repair, or service for unexpected breakdowns, we put our members first during the most extreme weather conditions and never charge overtime rates. Experience the peace of mind membership brings: safe and reliable home comfort year round.

BARRON IMPROVING LIVES™

TERMS & CONDITIONS: Preferred Member benefits to remain in effect until a request to cancel membership has been received and processed. Barron will charge your selected payment method for ongoing memberships. In the event of cancellation of the monthly membership by the customer, the customer shall be liable for the outstanding balance, due and payable within 30 days of the last payment. All transactions are final. Membership pricing is subject to change annually. Pricing notifications will be sent out via the email address on file. Eligibility for Comprehensive Performance Maintenance takes effect after one (1) year of Silver Shield Membership. Eligibility for Equipment Upgrade Discount takes effect after one (1) year of Silver Shield Membership and completion of one Comprehensive Performance Maintenance. Equipment and parts discounts may not be combined with any other sale, promotion, discount, coupon, and/or offer. Preferred Member benefits are transferable upon change of residence. Barron must be notified of a change of residence for benefits to transfer.
*The Lifetime Parts Replacement Guarantee is valid only for customers who maintain an active recurring Silver Shield Membership with Barron Heating AC Electrical & Plumbing. **Cancelling your membership will void this guarantee.** The Barron Lifetime Parts Guarantee covers standard components as specified under the primary manufacturer's warranty. It does not extend to support equipment, including but not limited to pumps and surge protection devices, nor to consumable items such as filters and fuses. The guarantee is non-transferable and applies only to the original homeowner at the time of service. Any repairs, modifications, or service performed by a third party will void this guarantee. To ensure the integrity and longevity of your system, all service work must be performed exclusively by Barron-certified technicians. Equipment Replacement Credit cannot be combined with Barron Bucks or other offers.
